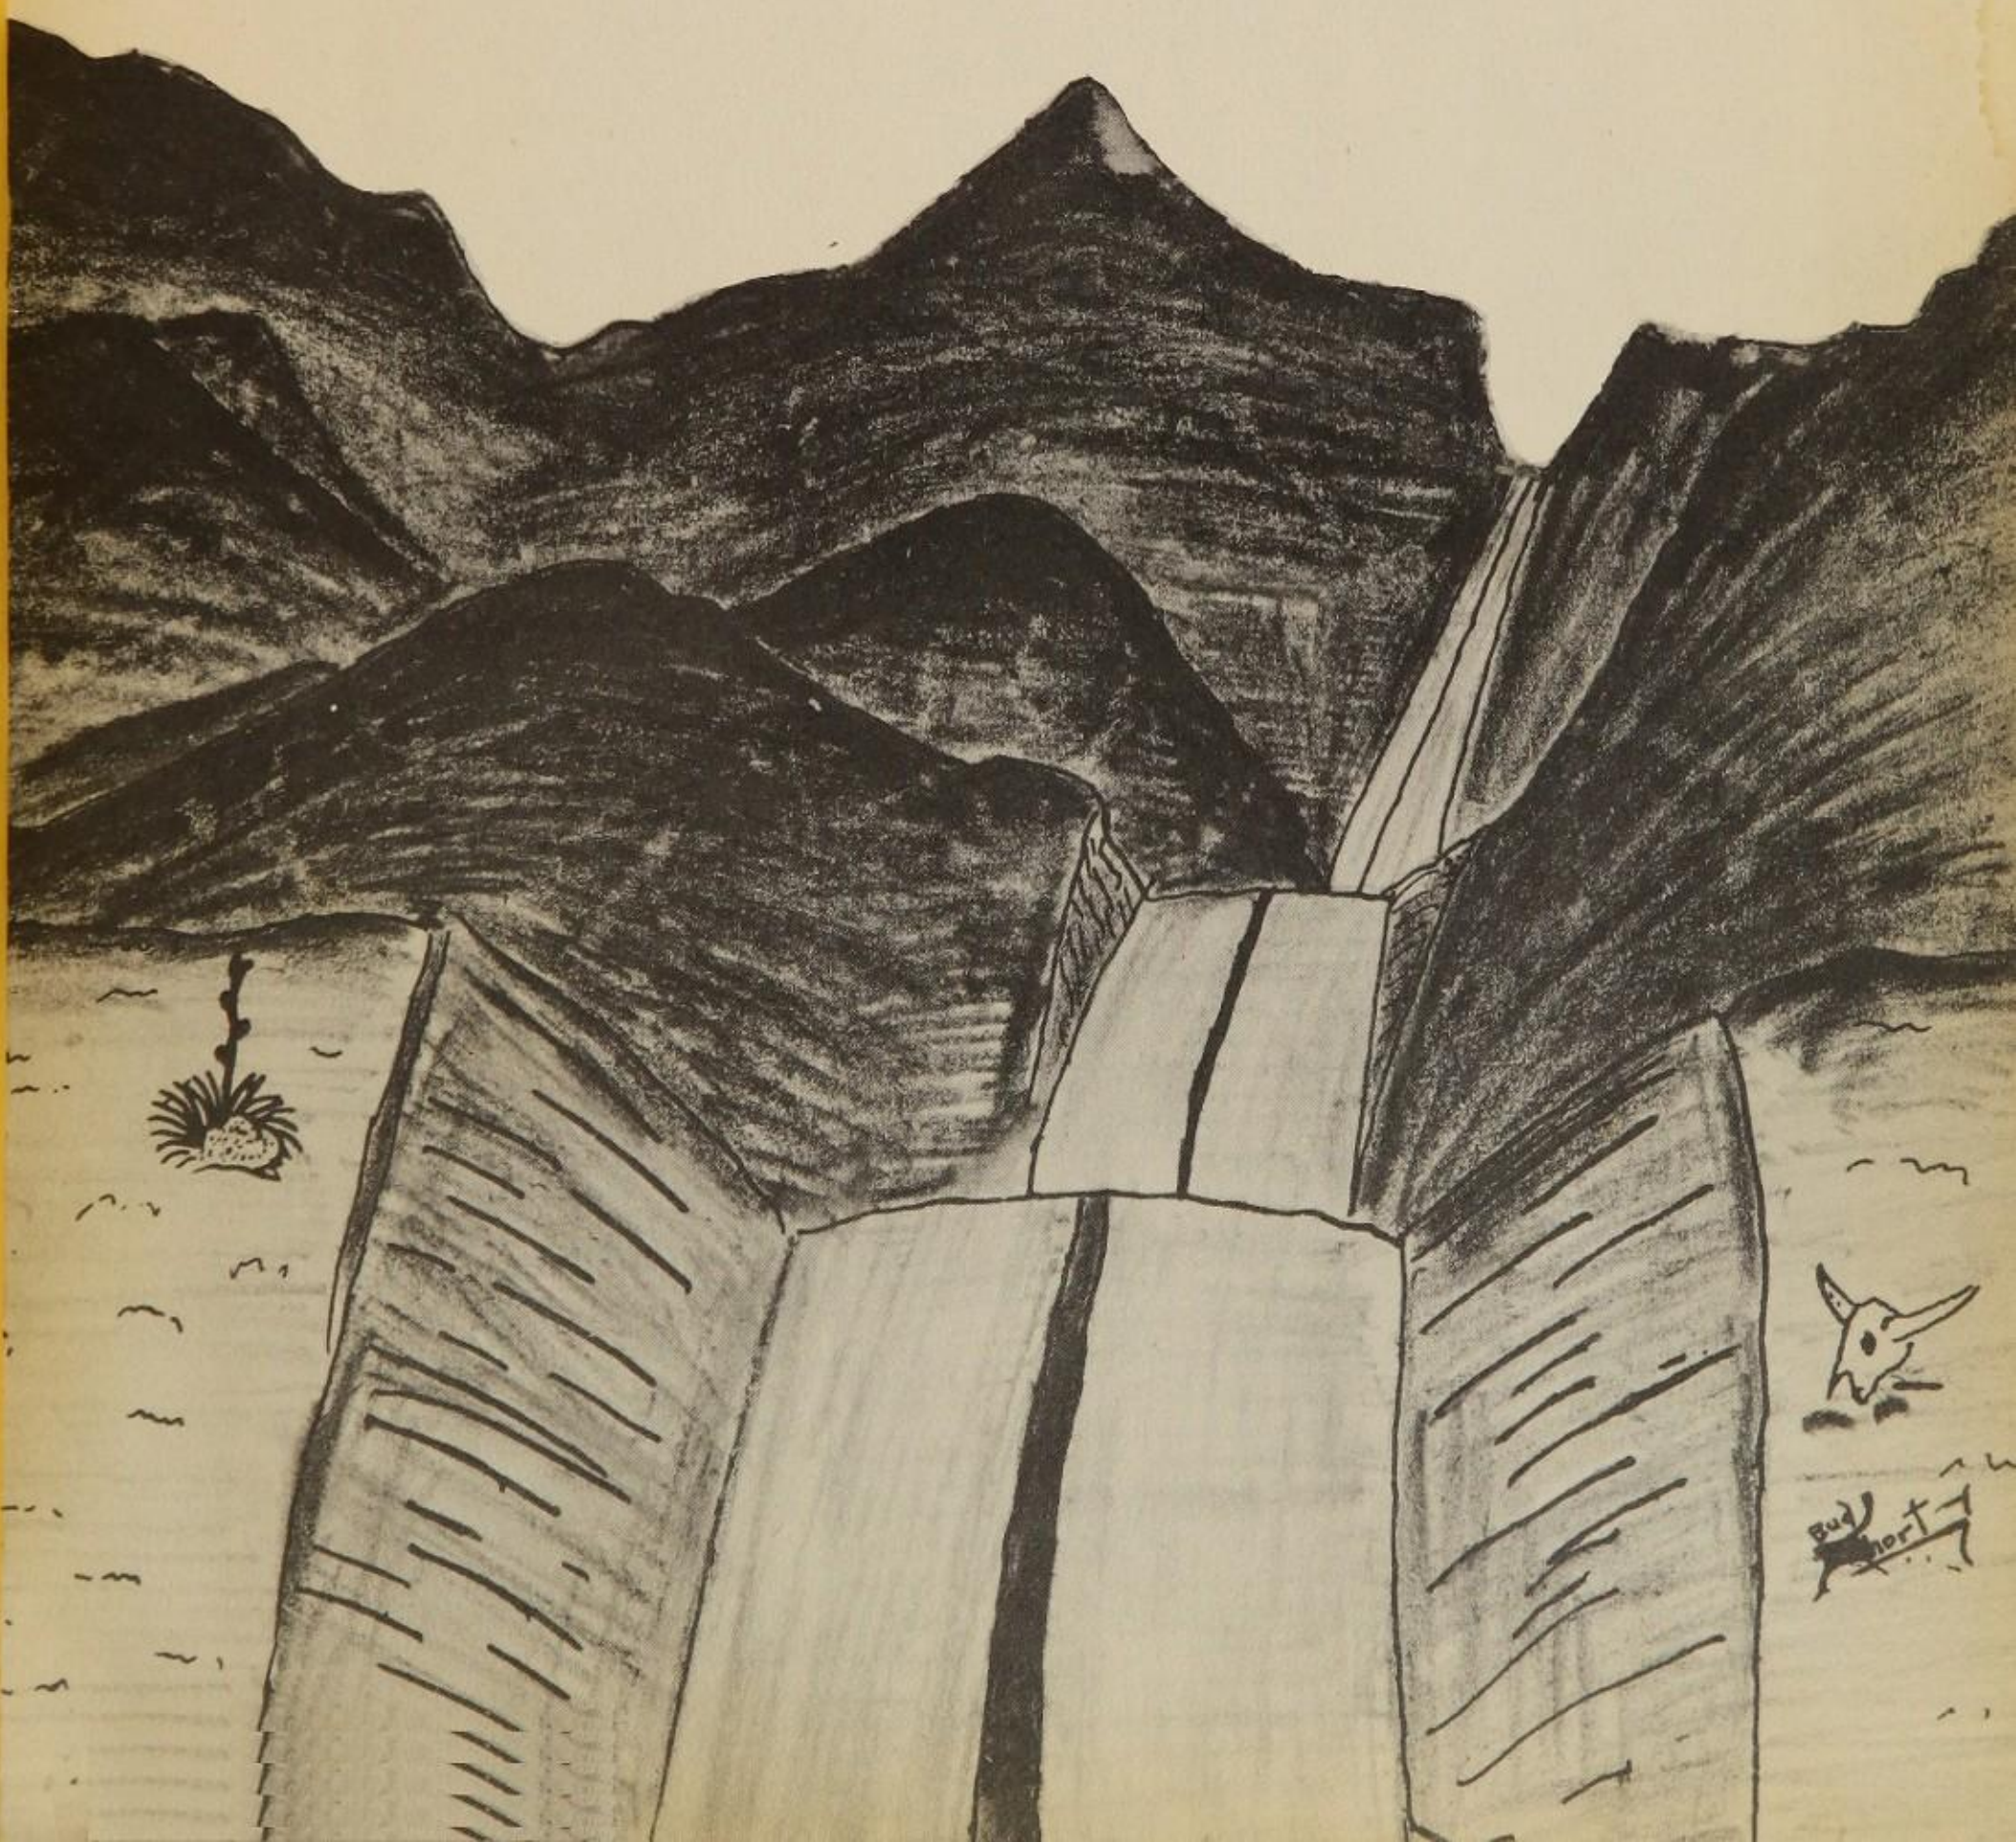
1946-1947



To Mr. G. R. Day, Superintendent of Post Independent Schools, the staff affectionately dedicates this 19th edition of "The Caprock." Mr. Day brings the following message:

Dear Students:

We are near the close of another eventful, and, I believe, successful school year.

I am very grateful for the fine spirit of coöperation and friendliness that the students have shown to me. It is my hope that I may have been of some inspiration and help to the students. It is my desire that each student will continue his educational training to the extent that he may live a happy and useful life. To be a real success you must be guided by the Divine Spirit.

Let's all continue to work together for the continual success of P. H. S.

G. R. Day
Supt.

FOREWORD

We present to you, students of Post High,
Our very best efforts — our noblest try —
In this annual, symbolic of work and toil,
Of daytime labors, of midnight oil.
Now look back on all you've done,
Your worries and joys — your work and fun.
But we're detained you long enough;
Go on to the pictures and other stuff,
Recalling your memories, each cry, each laugh —
That being the wish of

Yours,
The Staff
